# SANGIR *Plastics*

SERVICING CUSTOMERS WITH QUALITY THERMOPLASTIC PIPING AND SHEET PRODUCTS SINCE 1982.

*Sangir Plastics P. Ltd is an ISO 9001: 2000 Certified company offering thermoplastic piping & sheeting solutions to quality conscious customers. It is a pioneer in bringing several advanced plastic solutions to India.*

## Helping you achieve your long term goals

SANGIR PLASTICS PVT LTD. is a manufacturer of industrial piping systems and specialized plastic products, based in Mumbai, India. An ISO 9001:2000 Certified Company, Sangir has been in the plastics industry for over 25 years and occupies place in the industry as premium quality manufacturer of advanced plastics products.

Sangir has technically advanced manufacturing locations in India at Vapi, Gujarat & near Jaipur, Rajasthan spanning on a total area of over 500000 sq ft. Sangir products are offered with guaranteed performance. The objective

of providing high cost benefit to ensure that customer long terms goals are addressed with products that last even longer. No wonder Sangir Products are now exported to over 10 different countries in 3 continents.

### INDUSTRIES SERVED:

- |                  |                 |
|------------------|-----------------|
| ≡ Chemical       | ≡ Waste Water   |
| ≡ Pharmaceutical | ≡ Sugar Mills   |
| ≡ Metalurgy      | ≡ Textile       |
| ≡ Automobile     | ≡ Power, Energy |
| ≡ Fishing        | ≡ Mining        |
| ≡ Electronics    | ≡ Nuclear Power |
| ≡ Telecom        | ≡ Defence       |
| ≡ Dredging       | ≡ Shipping      |

Performance • Persistence • Partnership

## PIONEERING PRODUCTS

- ‡ KYNAR® PVDF - Sangir becomes the first company in India to produce Kynar® approved PVDF pipes in India. Pipes are available upto 160mm are marked Kynar®.
- ‡ Sangir PPGL Pipes – First Company in India to provide fibre glass lined PP pipes.
- ‡ Sangir PolyGL Sheets – Launch of PPH2222 sheets with fibre glass backing

# Quality products & services to create value for you

*Sangir's products are approved by leading consultants like AKPG, BV, TUV, SGS, Toyo. Peace of Mind – Guaranteed.*

The Sangir range of sheeting products displays a variety of sizes, thicknesses & colors. A broad choice of solutions for diverse customer applications is well served with high dimensional consistency, superior inputs, & a controlled production environment. From storage tanks for chemical industry

## ► THERMOPLASTIC sheets SOLUTIONS

to decorative sheets for the construction industry – Sangir has it all !

### Range:

Width: 300mm to 1500mm  
Length: 2M - 20M (Roll form)  
Thickness: 0.5mm to 25mm

Thermoforming, Glass Lining,

A dedicated services team of engineers, supervisors and trained welders assists customers to decide the right solutions for them, provide technical support, deliver complete turnkey jobs. Sangir has undertaken jobs for complete piping at chemical, zinc, nuclear power plants, ETPs etc and its deliverables are in successful trouble free operation for several years. The team has to its credits large projects of over 60 kms of advanced polypropylene piping with over 40000 joints executed flawlessly and has set an ideal for such jobs in the country.

- ≡ Turnkey Projects
- ≡ Installation & Commissioning
- ≡ Marine outfall

## ► INSTALLATION services & PIPING DESIGN

## BETTER SOLUTIONS: For Smart Customers

- . PIPES .
- . FITTINGS .
- . SHEETS .
- . VALVES .
- . PROFILES .
- . RODS .
- . CUSTOM PARTS .

### COMPLETE SOLUTIONS IN:

- . POLYETHYLENE .
- . POLYPROPYLENE .
- . POLYSTYRENE .
- . POLYVINYLIDENE FLOURIDE .
- . PP FIRE RETARDANT .
- . PP HOMOPOLYMER .
- . UHMWPE .
- . CPVC - PVC .

## ► THERMOPLASTIC piping SOLUTIONS

Sangir offer a broad range of pipes & fittings for chemical, water, gas & slurry transport in temperatures between 20°C and +140°C in various pressure classes. International standardization in colors, sizes is followed as well as custom colors/sizes in high performance areas have been developed to support several engineering clients.

### Range:

16mm to 630mm  
PN 2.5 to PN16

### Standardization:

#### HDPE

|          |         |
|----------|---------|
| ISO 4427 | IS 4984 |
